

## Toxic Mercury Emissions from Cement Kilns -MISSOURI-

**Total Plants:** 8 plants

**Reporting:** 7 plants

**Hg emissions, '00-'02:** 1,538 lbs.

**Plant w/highest releases of Hg, '00-'02:** Lone Star Industries  
(Buzzi Unicem)  
Cape Girardeau (558 lbs.)

**Plant w/highest annual release of Hg:** Holnam, Inc. (Holcim)  
Clarksville (225 lbs. in 2002)

PLANTS STATE-WIDE: MERCURY EMISSIONS FROM '00-'02  
(Combines Stack and Fugitive Air Emissions for Mercury and Mercury  
Compounds)
